

Research Participant Notification - Survey

1. Dr. Jessica DeSpain, director of the CODES Program, is inviting you to participate in this research study.
2. The title of this study is “Greenspace Use in Urban Landscapes”. The purpose of this study is to understand how people utilize/interact with greenspace within their local community.
3. Your participation in this study will involve taking an anonymous survey about your interest, knowledge, and experience.
4. There is no risk to you as a result of taking this survey other than that it will take fifteen minutes of your time.
5. The results of this study may be shared on the CODES website or shared in public presentations. Because the survey does not record personal information, your identity will not be shared in these venues.
6. Participation in this study will not benefit you directly. Your participation may benefit others by helping to provide more or better programming.
7. You can choose not to participate. If you decide not to participate, there will not be a penalty to you or loss of any benefits to which you are otherwise entitled. You may withdraw from this study at any time.
8. If you have questions about this research study, you can email us aimarti@siue.edu, agiller@siue.edu, or jdespai@siue.edu . If you have questions about your rights as a research participant, you can call the SIUE Institutional Review Board at 618-650-3010 or email at researchcompliance@siue.edu.
