

CODE 220

Brading Sweetgrass (Allegence to gratitude)

1) How much does the concept of gratitude effect your culture and the way you go through life?

- My personal values are almost entirely based on the concept.

Every day I am thankful for having the ability to live and to make the most of each day.

2) How does Kimmie characterize contemporary VS culture?

- The youth are the determiners of culture. Before the age of 19, you are immitating culture and after 25 you are no longer an indivisual. That is the American way.

3) What does this bring up for you the type of culture you wish to live in?

- I want to destroy modern society and rebuild it where human wellbeing is the primary desire of society.
