**Title of Activity:** What inspires you.

**Objectives of this activity:** to identify the students' objectives and how they can subsequently grow as a result.

**Learning area:** know what areas they are good in and what they can improve on

**Subject or topic of activity:** strengths and improvements

**Detailed description:** Students will gather and talk about what they want out of life and how they may either achieve it or come closer to it. Mentors and students will have in-depth discussions on what is required to achieve that inspiration and what they must endure to do so.

**Resources needed:** children, building, and mentors.

**How will we measure success with this activity?**

When we next meet, students will at least have a ranked system or something from the activity that they can use later in their career.
