

Student Name Madison Delgado

Grade Contracted For A * B C

What concepts are you going to learn, or skills are you going to develop?	How will you learn the content/ develop the skill?	What evidence will you add to the portfolio to demonstrate your learning?	How will you and I assess the evidence of your learning/skills?
(percentage effort%) Based on (learning goal from CODES): Accesses information using effective, well-designed search strategies and appropriate sources.	<ul style="list-style-type: none"> I will try new ways to research instead of just going with the same sites I know how to work. The more sites the more variety of info. I can gather. 	<ul style="list-style-type: none"> Outlines or works cited I can upload to see how many sources I have. 	<ul style="list-style-type: none"> By looking to see if I have a handful of sources instead of just a couple. Multiple facts and ideas that connect with the facts. (Digital project 3)
(percentage effort%) Based on (learning goal from CODES): Demonstrates a through understanding of context, audience, and purpose.	<ul style="list-style-type: none"> Add more details to my papers and less unimportant information. 	<ul style="list-style-type: none"> Detailed paragraph's introduction myself. 	<ul style="list-style-type: none"> Watch the amount of detail and good vocabulary in my writing. (Digital project 1)
(percentage effort%) Based on (learning goal from CODES): Develops clear, innovative central messages with significant supporting materials.	<ul style="list-style-type: none"> Practice speaking skills by meeting new people and talking with friends. 	<ul style="list-style-type: none"> Outlines of speeches we will be doing in class. 	<ul style="list-style-type: none"> I will add Digital project 2 to my E-portfolio.
(percentage effort%) Based on (learning goal from CODES): Works independently toward team goals by contributing to efforts and meeting deadlines.	<ul style="list-style-type: none"> Not only looking and reaching my goals but helping others reach theirs. 	<ul style="list-style-type: none"> Add team projects and goals. 	<ul style="list-style-type: none"> Look at contribution in group workshops or activities, especially in the 3 Digital project.

<p>(percentage effort%) Based on (learning goal from CODES): Uses Quantitative information in connection with the arguments or purpose of the work.</p>	<ul style="list-style-type: none"> • Be aware of how many word facts to number facts I use. Use more numerical facts. 	<ul style="list-style-type: none"> • Posting fun facts or just using more quantitative facts in my writing on a paper. 	<ul style="list-style-type: none"> • Use more numbers in my facts and information I find on sources. Maybe Digital project 3 will be good to show for this.
